Friday, November 21st, 2014 | 8:30am - 3:30pm

Texas Southern University | Barbara Jordan/Mickey Leeland
School of Public Affairs | Houston, TX

With a horizon year of 2040, key representatives from Texas' six largest cities, Austin, Dallas, El Paso, Fort Worth, Houston, and San Antonio, will speak about major plans, policies, and projects currently underway that will shape the livability, resiliency, and competitiveness of these cities and our region's future. The panelists include:

Greg Guernsey: Director of Planning, City of Austin

Carlos Gallinar: Deputy Director of City Development and Planning, City of El Paso

Randle Harwood: Director of Planning and Development, City of Fort Worth

John Dugan: Director of Planning, City of San Antonio

David Cossum: Director of Sustainability and Construction, City of Dallas

Pat Walsh: Director of Planning and Development, City of Houston

Keynote Speaker: **Andrew Howard**, AICP, Team Better Block
