At the Houston Food Bank's Portwall Warehouse, volunteers inspect, sort, and repackage donated food items. Projects will vary from day to day, so please be flexible about your work station. We might need to reassign you so we can work more efficiently!

Volunteers must be **at least 6 years old & supervised** by parent or guardian throughout the shift.

If **space permits**, you may **park in the front** but in the case of a **large turnout**, you may be directed to our **overflow lot** located behind the building.

For safety reasons, **closed toe shoes are required** at the Warehouse. We recommend that you wear **pants or long shorts**, and a **shirt with sleeves** (no tank tops or sleeveless shirts).

For your safety, **personal belongings are not allowed in project areas**. Due to limited locker space, we ask that you lock your purse, jackets, backpacks and any other valuables in your vehicle before checking-in.

**Checking-In:** Please bring a **printed copy of the QR bar code** from your confirmation Email or simply **display the code from your cell phone** to scan-in when you arrive. If you **do not have your QR code**, you will need to **sign a hardcopy of our waiver**.

**Healthy snacks** and **small meals** are **available for purchase** at our Houston Texans Cafe.

**We look forward to seeing you and thank you for helping feed our neighbors in need!**
